

The Quantum Space Strategic Sponsorship Programme

Revolutionary Multi-Platform Content
Amplification for Maximum ROI

Today's Digital Reality

Traditional One-Post Marketing is Dead

In an era where AI-generated content floods social channels and platform algorithms determine message reach, traditional approaches have become ineffective and costly.

The solution?
Scientifically-backed, multi-platform amplification that cuts through digital noise.

Program Deliverables

90-Day Comprehensive Campaign

Your Input

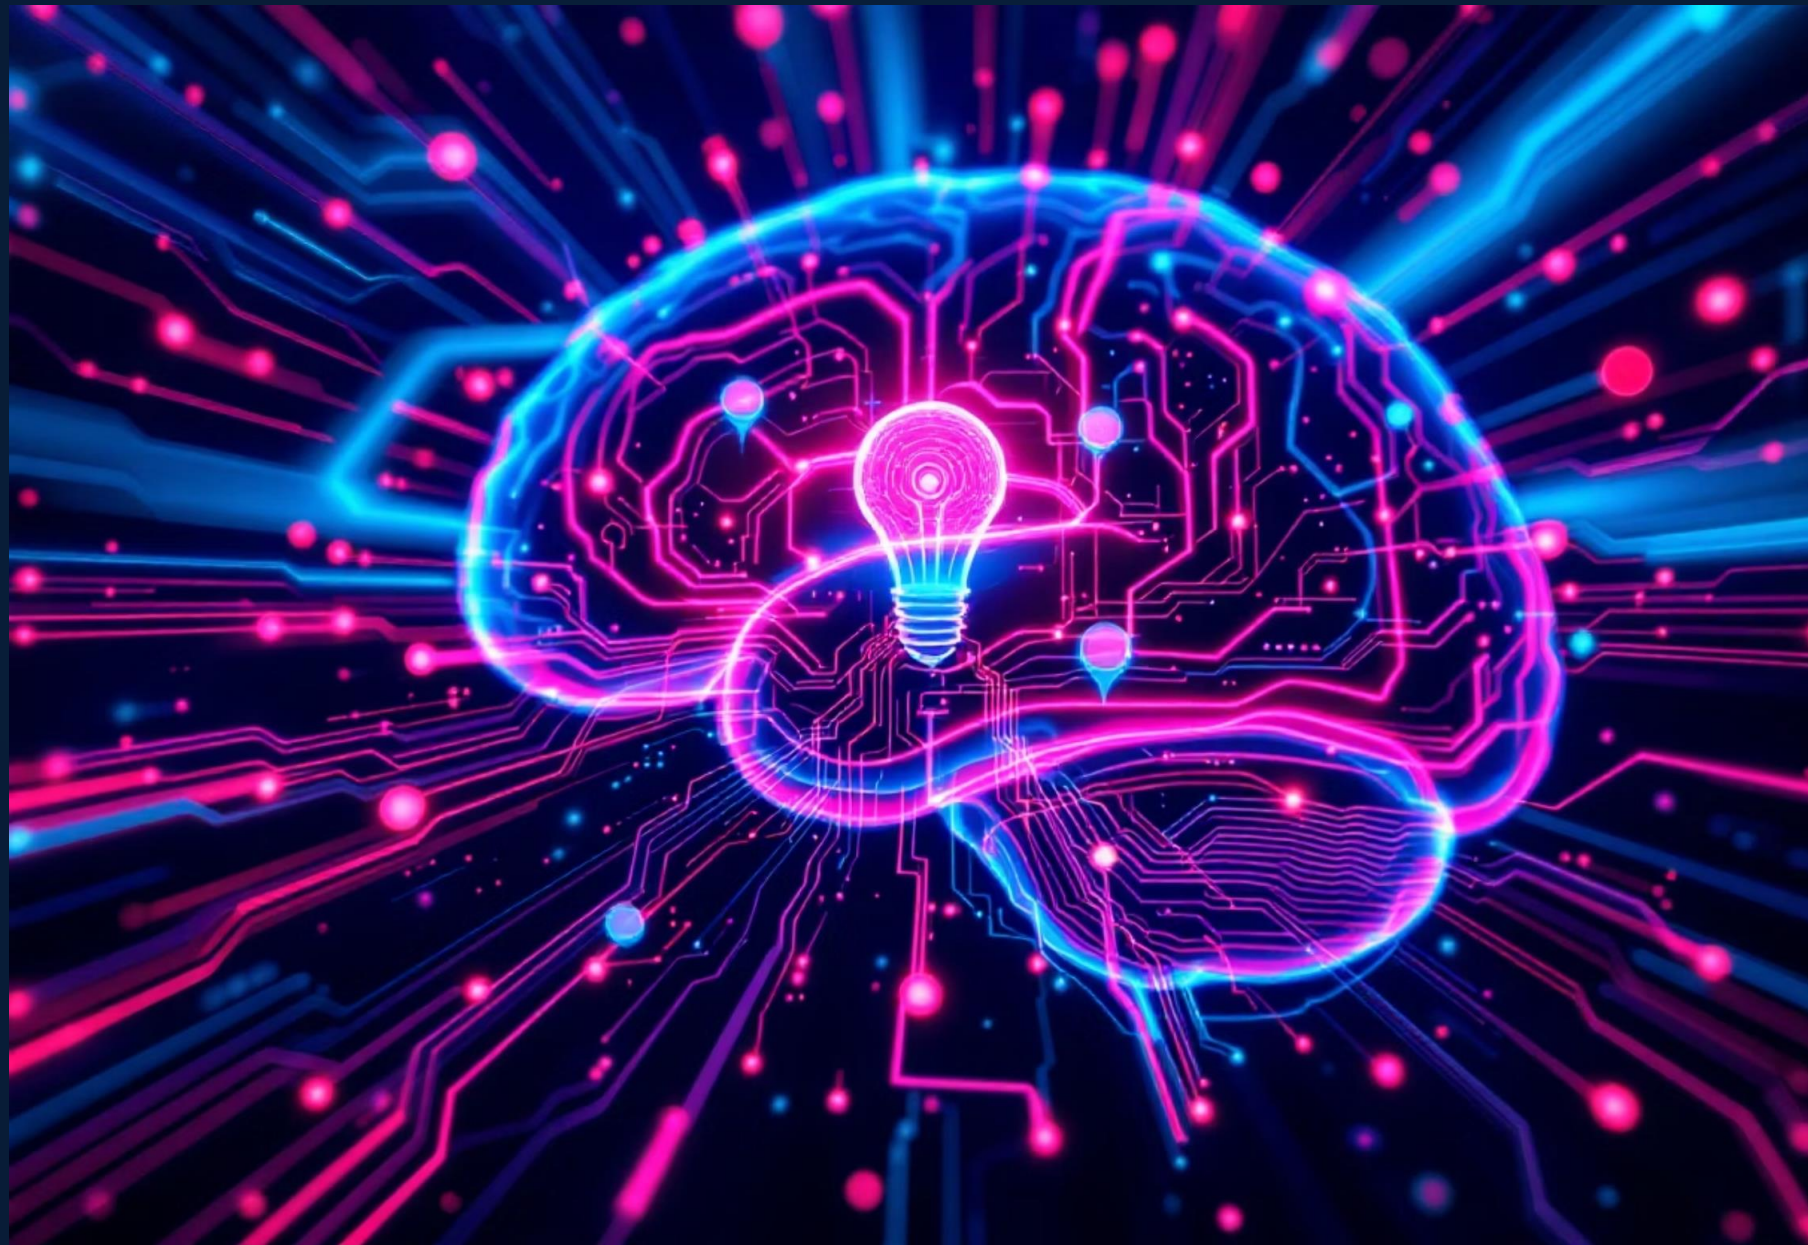

3 strategic content topics using existing materials (website, brochures, data-sheets etc). No need to create something specific.

Our Delivery

80+ brand touchpoints
Permanent digital assets
Multi-platform distribution

The Science Behind Success

The Rule of Seven in the AI Era

Modern neuroscience confirms: prospects require multiple touchpoints across varied formats before achieving meaningful brand recognition.

Our systematic content multiplication addresses this fundamental truth through strategic distribution and algorithmic optimization.

Phase 1

FRAMING: Strategic Content Architecture

01

Content Matrix Development

Transform 3 topics into 9 strategically crafted articles

02

SEO Integration

Advanced metadata and URL linkback architecture

03

Platform Optimisation

Strategic hashtag and cross-platform compatibility

This phase creates a robust foundation designed for maximum algorithmic favour and organic reach.

Phase 2

AMPLIFICATION: Multi-Platform Saturation

Distribution Network

- Facebook | Instagram | Threads
- LinkedIn | Mastodon | BlueSky
- Direct subscriber email from the website
- Featured placement on The Quantum Space

9-week publishing cycle ensuring sustained engagement without content fatigue

Phase 3

AGGREGATION: Legacy Asset Creation

Digital Anthology

Professional ePublication
combining all content topics
Promotion and systematic
distribution through our network
(same as the previous 9 post
articles)

Podcast Production

Expert-hosted audio distributed
via RSS feed across Apple,
Spotify, PocketCast

Optional Print Edition

Physical publication for premium
positioning and handouts
(additional cost)

Value Multiplication

From 3 Topics to 80+ Touchpoints

1

9 Optimised Articles

2

80+ Amplified Social
Media Posts

3

8 Platform Distribution
Points

4

1 Digital Anthology

5

3 Audio Podcast Placements

Plus unlimited press release publication and client-specific event promotion throughout your 90-day campaign.

ROI Comparison

Why Traditional Marketing Falls Short

Traditional Approaches

- Single-post campaigns: €6,000 for minimal reach
- Agency retainers: €2,000-5,000 monthly
- Platform advertising: Declining organic reach

TQS Strategic Advantage

- 80+ guaranteed touchpoints over 90 days
- Permanent digital assets with ongoing value
- Cross-platform algorithm optimisation
- Expert content creation and consultation

Program Investment

€6,000

90-Day Comprehensive Campaign

Your Input

3 strategic content topics using existing materials (website, brochures, data-sheets etc). No need to create something specific.

Our Delivery

80+ brand touchpoints
Permanent digital assets
Multi-platform distribution
